Comprehensive Intake Questionnaire for Child Evaluations (Ages 13-18)

This questionnaire will help me best understand your child and his/her current difficulties. Please print and fill out this questionnaire to the best of your ability **before** your intake appointment and **bring it with you**. Read the questions carefully and answer them as fully as possible (use the reverse side of the paper if necessary). If there are questions that you don't understand, please mark them with a star (*) and Dr. Aviv will review them with you at the intake appointment.

Child's information

Date: _____

Name of child: _____ **Date of Birth:** _____ **Age**:_____

Name of person filling out form and relationship:_____

Home address _____

Mother: _____ (H) _____(W) _____(C)
Father: _____ (H) _____(W) _____(C)

Family Email(s) _____

Child's School: _____
Child's Current Grade: _____

Current learning and/or psychiatric diagnoses _____
Who diagnosed_____
Known genetic disorders or medical diagnoses:_____

Is your child taking any medications at this time? If yes, list all medications and current dosages and length of time your child has been on the medication.

Name of Current Medication(s)	Dosage	Since (date)

What problems or questions have caused you to seek help for your child at this time?

Family History

1. **Child is living with**:
   _____ Both parents
   _____ Mother
   _____ Father
